

## **Hygiene concept "the CORD" at EUREF-Campus**

The following hygiene concept was drawn up on the basis of the Seventh Ordinance Amending the Third SARS-CoV-2 Infection Control Measures Ordinance, which comes into force on 26.09.2021.

With the entry into force of the Seventh Ordinance Amending the Third SARS-CoV-2 Infection Control Measures Ordinance, the period of validity of the Third SARS-CoV-2 Infection Control Measures Ordinance will be extended until 23rd October 2021.

### **2G Rule:**

- Presentation of digital proof of vaccination or convalescence is mandatory.
- Proof of vaccination or recovery from SARS-CoV-2 must be digitally verifiable and will be checked against a photo ID.
- Our staff is vaccinated.
- Those in charge must point out the validity of the 2G condition.

### **Mask requirement:**

- There is no mask requirement in the restaurant "the CORD".

### **Attendance documentation:**

- Our guests are registered via the Luca app upon arrival at the restaurant without exception.
- A complete attendance documentation is guaranteed by our staff on site.
- There is no obligation to make a reservation.

### **Hygiene measures:**

- In addition to the above measures, sufficient disinfection dispensers are available in the restaurant.
- The indoor area is equipped with a ventilation system that can guarantee a reduction of the corona virus load of up to 99.9 %.
- All tables and surfaces are regularly disinfected.
